we fondly dedicate

THIS OUR 1956 HALISCOPE

to MR. ARCHIE BROWN, the leader of our band. But he's something more than a band director. He is a symbol of a school spirit that has grown, in three short years, from a nebulous thing to a vibrant force making itself felt on all school activities. This spirit is, of course, a result of the work of many people; but Mr. Brown seems to us to be the chief molder of this force. He, with his band, is present at all school assemblies, at all football and basketball games; indeed, anywhere that he is needed. As if that weren't enough, Mr. Brown originated a Pep Club to give organized moral support to our athletic teams. So with deepest respect and admiration, we dedicate the 1956 HALISCOPE to Mr. Archie Brown, the man who waves the baton.

WHAT IS HALIFAX COUNTY HIGH SCHOOL?

It's a building, yes; but no matter how beautifully functional it may be, a brick and mortar edifice is only the beginning of a school.

HCHS is instruction and learning and participating and competing.

And it's even more

...IT'S THE STRIVING FOR TRUTH
THROUGH RESEARCH
AND EXPERIMENT...

...IT'S THE LAUGHTER OF YOUTH

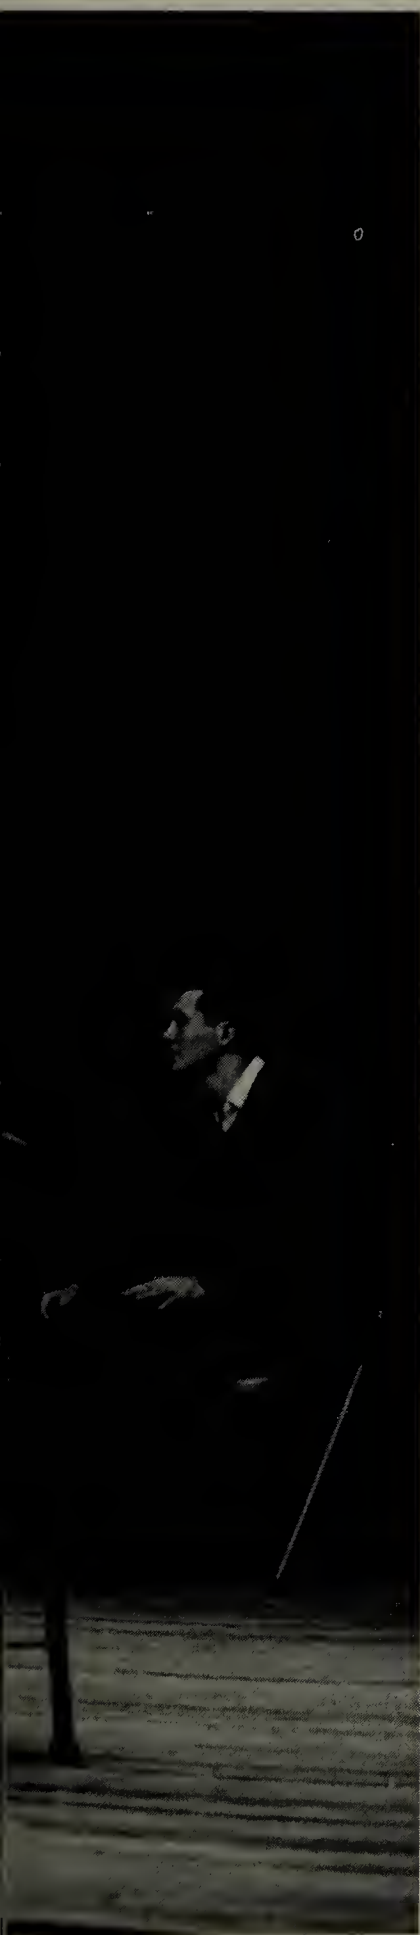

...THE DIGNITY OF EXPERIENCE...

**...IT'S CLOSE COMPANIONSHIP
DERIVED FROM WORKING
TOGETHER, WHETHER
IT BE ON STAGE...**

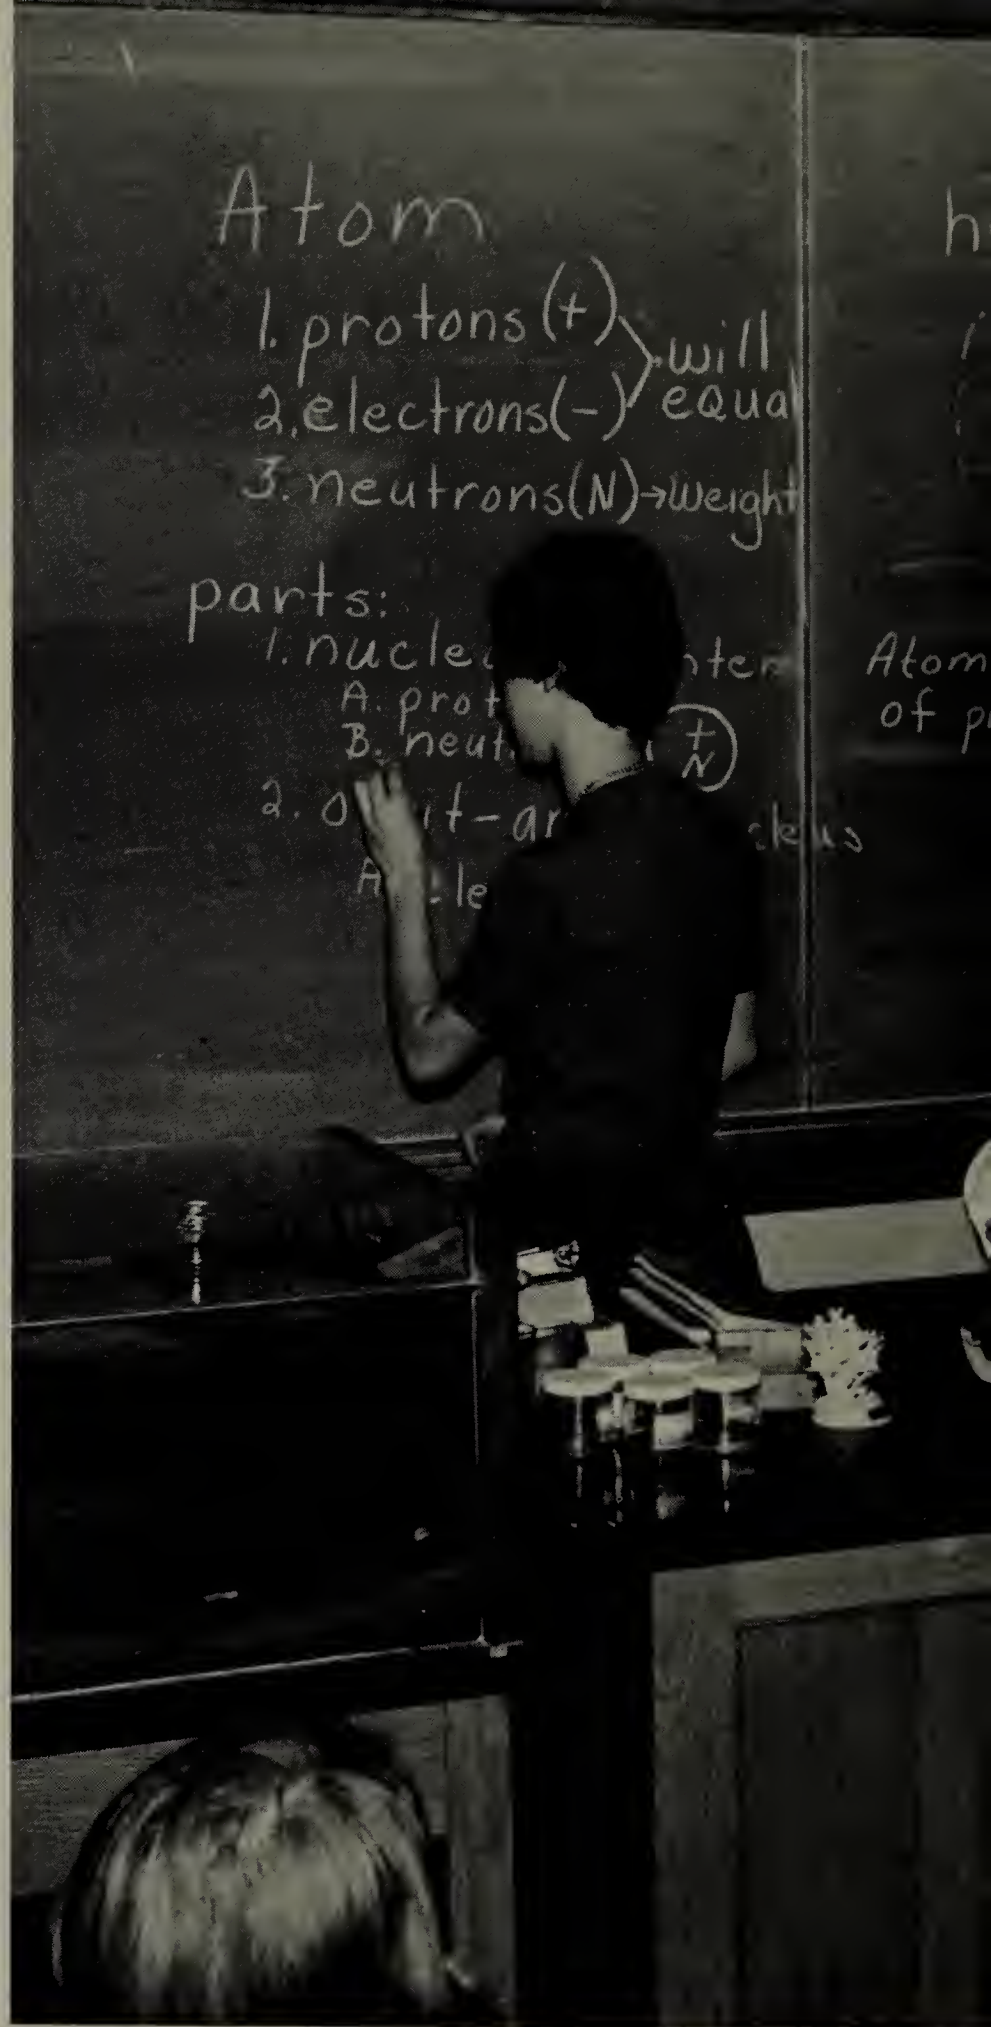

**...OR ON THE
BASKETBALL COURT...**

...AND IT'S A
DREAM OF
TOMORROW,
BRIGHT
WITH HOPE

MOMENTS TO REMEMBER

Dancing in front of a background depicting "Moments to Remember" are a few of the seniors and their dates who were at the Senior Ring Dance, January 12. The highlight of the evening came when Lacy Slayton and Eva June Wilkerson were named winners in the "bop" contest.

Seniors and last year's graduating class are shown above on the occasion of the second annual Junior-Senior Prom, held on April 22, 1955. The gym was decorated to suit the April-In-Paris theme, including a 12 foot replica of the Eiffel Tower.

This page has been sponsored by SWANSON MOTOR CO. of Danville and W. L. SEYMOUR and CO. of South Boston.

STAR'S THIRD YEAR SEES CHANGES

SPORTS, COLUMNS ARE FEATURED

Columns and feature articles were sprinkled liberally throughout the STAR this year and according to all reports the students liked them. There were three columns continued over from last year, "Headquarters Communique" by Principal J. Marshall Swanson, "Fads and Fashions" by Betty Lee Powell, and "Dr. I. Quiz Em" by Delores Goodman.

Several new columns were added when Ed Church and Janice Cole wrote on different topics each week. "Comet Comments" was a regular feature of the sports pages and was written by Otis Poole and Louis McKinney. Nancy Bane completed the list of columns with "From the Bookshelf" a regular report on new books in the library.

MANAGING EDITOR

Louis McKinney

Although Louis McKinney did not attend school for a period of two years, he returned this year to graduate and proved invaluable to the STAR. He spent much of his own time with his work as Managing Editor and wrote the sports pages during basketball season. Besides his many activities in every branch of school life, Louis managed to work after school.

FACULTY ADVISER

Mr. Richard J. Fitz, Jr.

Mr. Richard J. Fitz took over the reins as faculty adviser and did a superb job this year.

Although this was Mr. Fitz first year on the STAR, he was by no means a stranger to HCHS or to the field of journalism. He had previously taught English at this school.

He graduated from the University of Richmond where he spent much time on the Richmond Collegian. There he gained his newspaper experience which enabled him to lead the STAR to a first place in the CSPA contest.

1955-56 saw many important changes in the STAR which played an important part in the paper's success. The major change came when Mr. Richard J. Fitz became faculty adviser.

The editorial page was changed to a large extent and featured several columns and "Student Forum", along with the regular editorials and related cartoon. An editorial board was selected and did a commendable job in choosing topics of interest for the editorials.

A new character was created by the STAR when Joe Hall began drawing Halifax Harry, a cartoon character who appeared with each issue.

"Dr. I. Quiz-Em" this year featured pictures of everyone who contributed to the column and a permanent master head was drawn for the "Starlighters."

With an entirely new staff, a new director, and many changes, the STAR managed to break financially even for the first time in its short but noteworthy career.

The Editorial Board

and copy for a future edition of the STAR. A fourth member of the edi-

EDITOR-IN-CHIEF

Bernard Marks

"Bunny" Marks, the first senior to become Editor-in-Chief of the STAR, did a commendable job this year. He was responsible for laying out the pages of the paper and writing editorials. He was in charge of seeing that every part of the paper was ready and at the printers on time. "Bunny" spent much extra time at the print shop and at school after hours in carrying out his job.

STAR WINS CONTEST

The Star this year was entered in the highest contest offered in the nation for high school papers and received a first place award in the CSPA contest. In this contest issues of this year's papers and copies of last year's STAR since Easter were sent in.

The SIPA contest was also entered but notification was not received until May 5. In this contest three consecutive issues were sent in.

MANAGING EDITOR

Edwin Church

Edwin Church turned in a creditable year of work on the STAR in spite of his many other activities. As Managing Editor he wrote the sports pages during football season and had his own column during the remainder of the year. Ed spent much of his own time on the paper and gained valuable, first hand experience at the printers.

Gratitude may be expressed in a number of ways. We, the "growing" consumers of goods and services in Halifax County, will be saying "thank you" to our advertisers for many years to come.

Education involves all the experiences which enable us to make wise choices and to become selective in the way we spend our time, efforts, and material goods. We have learned to expect quality goods and services from those concerns which actively support our schools.

The class of '56 looks forward with pleasure to doing business with the business establishments which have shown their interest in us.
